## Describe Your Experience

We recently had the pleasure of going on a two-week sailing trip and it was truly a great experience. Highlights included spotting dolphins, trying out stand-up paddling, and exploring the beautiful islands of Corsica and Sardinia. The opportunity to swim and snorkel in the clear waters was also a definite plus. Overall, a fantastic blend of relaxation and adventure.

## Private Host Feedback

Thank you for the wonderful time! We all thoroughly enjoyed it and were sad to leave you. In particular, the stand-up paddles were a lot of fun, and snorkeling was great too. A big thanks to Thomas for all the driving, and a very big thank you to Alex for the clean cabins and delicious baked creations!

Wishing you smooth sailing ahead and see you soon!

Vielen Dank für die wunderschöne Zeit! Wir haben es alle sehr genossen und waren traurig, dass wir euch verlassen mussten. Insbesondere die SUP's machten viel Spass und das Schnorcheln war auch super. Ein grosses Dankeschön an Thomas für das viele Fahren und ein sehr grosses Danke an Alex für die sauberen Kabinen und die feinen Back-Kreationen!

Weiterhin eine gute Fahrt und bis bald 😊

Gravity was confusing. The captain only took  
us to salt water, with fish in it. Gross!! It rained  
one day we were there. Could improve.
